Member of the public raised the issue of fly tipping within the Village, rubbish was being deposited in the bushes that boarder her property in Meadowbank. Initially it was domestic waste it now included bags of garden waste.

Concerns were also raised about rubbish being dumped in the Old Road and the likely impact that the newly imposed charge for the brown bins would have in the Village.

Resolved for 6 against 3 motion carried funds to be allocated to other projects.

(iii) Noise Levels – Councillor Thomas left the room at this point and Councillor Mumby stood in as Chair.
Councillor Mumby reported on behalf of a resident that a recent party being held in the Village Hall early on a Saturday evening had booked a disco and the noise levels generated were excessive and had caused the resident some distress. He was able to confirm that the complaint was justified as he himself had been passing the hall at the time the complaint
was raised.
The Clerk reported that all hirers are told when booking the hall that doors must remain closed at all times to reduce the noise levels and that the Council reserve the right to terminate a party if complaints are received from residents. Council fully understood the importance keeping noise levels down and regretted that on this occasion that the hirer had not complied with the conditions of hire causing distress to the local resident. It was accepted that the hall had no suitable ventilation provided and the recent hot weather was no doubt a contributory factor to the party not complying with the instruction to keep doors closed. A discussion took place regarding the policy to be adopted by Council.

**Proposed**

That the Clerk contact the complainant and apologise for any distress caused, that the hire conditions will be enforced and hirers reminded of the need to keep doors closed.

**Resolved**

Clerk to write to the complainant.

Any resident who has reason to complain about noise levels from the hall should contact a Village Councillor who will deal with the issue as appropriate at that time.

The Clerk reported that he had received a request for the hall to be opened for residents on New Year’s Eve the function to finish at 00.30 am on New Year’s Day. The Clerk had refused this request as:

- It was likely to result in noise complaints finishing at this late hour.
- The Caretakers Contracts state that on three days a year Christmas Day, Boxing Day and News Years Day. the hall is closed to hirers.

**Resolved**

The Village hall to be closed to hirers on these three Bank Holiday days and the decision not to hire out the hall on New Year’s Eve is supported.
