This walk is one of a number of walks promoted by Great Coates Village Council.

These walks have been chosen, and all walked, prior to publishing to showcase the countryside, industry and what's available close to our village.

Walks have been combined with enjoying a drink or meal at a local pub and some walks utilising the train service from Great Coates.

Keep checking our website for further walks or like our Facebook page to obtain information when new walks are published.

Currently we have the following walks available:

Walk 1	8.5 miles	3 hrs	Industrial Countryside
Walk 2	4 miles	1 hr 20 min	The Freshney Wildlife & Wetlands
Walk 3	5.7 miles	2 hrs	The Healing Circle

Whilst each walk has been carefully checked Great Coates Village Council accept no responsibility for any incorrect information. All information is given in good faith at the time of publishing.

Industrial Countryside

This 8.5 mile walk takes you through the industry on Europarc to the Humber Bank industries leading to the pleasant countryside through Stallingborough and Healing before arriving back in Great Coates.

Deer, foxes, seals and various bird life may be seen on this walk combined with spectacular views across the Humber on a good day to peaceful countryside between Stallingborough and Healing where you'll wonder where the industry disappeared to, yet still visible.

This comfortable, 3 hour walk is generally flat, suitable for all ages with steps to climb towards the end.

Combine this walk with a visit to The Green Man in Stallingborough who serve a good range of drinks and is well known for its quality food.

Healing has a convenience store within minutes of the walk for snacks and drinks.

Industrial Countryside

Walk No	Distance	Time
1	8.5 miles	3.0 hours

The Route

1 Leave the station following the public footpath keeping the hedge on your left.

2 Head up the steps, turning right to go over the A180 and through Europarc.

3 Cross two roads and head along the grass path, leading away from Europarc.

4 Turn left and head towards and cross the footbridge. Keep walking ahead, crossing the road and into the fields heading towards the Humber bank.

5 As you cross the footbridge, with Solenis on your left head towards the copse straight ahead of you - keep your eyes out for Deer who frequent this area.

6 Walking through the shubbery, turn right leading out with Novartis ahead of you. Follow the track towards Novartis, turning left at the end towards the North Wall.

7 Turn left as you join the North Wall walking towards Immingham.

8 With the power station on your left, turn off the North Wall along the track towards the power station with Synthomer on your right.

Follow this track until you meet the main road and continue towards Stallingborough.

9 At the roundabout, turn right and then first left keeping BOC Gases on your right and follow this road until you go over the A180.

10 After crossing the A180 turn left going back on yourself picking up the public footpath, heading into the fields.

11 Follow this track, turning left, right and right before you turn left over a substantial concrete bridge heading towards Healing.

12 On arrival in Healing, walk through the railway crossing turning left into Ashleigh Court. Keep to your right and follow the public footpath signs, going to the right hand side of the houses.

13 Walking around the back of the houses, after a few minutes it will open out into the Royal British Legion grounds.

14 Keep to your left walking towards the far left corner where you'll come across an opening taking you back into the open fields.

Continue walking ahead picking up the footpath which cuts across the fields towards the A1136.

15 As you approach the A1136, climb up the steps, negotiate the road before stepping back down and picking up the footpath back into Great Coates.

Walking from the open fields, you'll come up to a footbridge. Turn left, not crossing the footbridge and follow this path turning right, through the gates and onto Cooks Lane.

16 At the end of Cooks Lane, turn left into Station Road which takes you back to the station.
